A BIT OF HISTORY

Shortly after a football team was organized at Gallaudet in 1883, the team found it necessary to design a system to help them communicate with one another on the field.....and the football huddle was born.

If one looks at the Gallaudet record at that time, one can see what a boon the huddle was to football and why now it is inseparable from the game.

Our records show Gallaudet whipping Baltimore City College by a score of 103-0, the University of Maryland by 26-0 and University of Virginia by 11-5.

If only we had patented the huddle then!!

ON THE GREEN IS published for the faculty and staff of Gallaudet College each week by the Office of Alumni and Public Relations. Campus news is always welcome. Phone 3326 or TTY 4233.
